INSTRUCTIONS

- Notice shall be submitted in duplicate to the Director, National Revenue Center, before the proprietor of a distilled spirits plant may change the status of his plant.
- 2. This form may be used to alternately extend and curtail DSP, BW, BWC, or TPWBH premises for use of the premises by one of the registrants if the registered operations are owned by the same person. Likewise, this form may be used to alternately curtail and extend DSP premises for use in the manufacture of nonbeverage products if the DSP and MNBP operations are owned by the same person.
- 3. Notices by alternate proprietors shall be submitted by both proprietors in duplicate. The two Notices *(one to transfer, one to receive)* should be filed simultaneously.
- Notices to alternate, curtail, or extend premises by the same proprietor shall also be submitted in duplicate.
- Notices to commence, suspend, or resume production operations must have been received by the Director, National Revenue Center prior to the effective date of the change.

PAPERWORK REDUCTION ACT NOTICE

This request is in accordance with the Paperwork Reduction Act of 1995. The information collection is used to determine the eligibility of the applicant to engage in certain operations, to determine location and extent of operations, and to determine whether the operations will be in conformity with Federal laws and regulations. The information requested is required to obtain or retain a benefit and is mandatory by statute (26 USC 5172).

The estimated average burden associated with this collection of information is 1 hour per respondent or recordkeeper, depending on individual circumstances. Comments concerning the accuracy of this burden estimate and suggestions for reducing this burden should be addressed to Reports Management Officer, Regulations and Procedures Division, Alcohol and Tobacco Tax and Trade Bureau, Washington, D.C. 20220.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.
